

## **Coperni 3 Testing Policy**

### **Paper Assessments**

For all state assessments, Coperni 3 will use paper assessments. The state assessments included in this policy are:

- Colorado Measures of Academic Success (CMAS) English Language Arts
- CMAS Mathematics
- CoALT English Language Arts
- CoALT Mathematics
- Science

This policy's exemption process shall apply only to state assessments and **shall not apply** to benchmark and interim assessments such as:

- ACCESS for ELL's
- DIBELS Next
- NWEA Maps

### **Parent Refusals**

A Coperni 3 parent/guardian who wishes to exempt his or her child from a particular state assessment or assessments shall make this request in writing by completing a refusal form. Negative consequences will not be imposed upon a student whose parent/guardian has requested an exemption from a state assessment or assessments. Coperni 3 will not discourage a student from taking a state test or encourage a student's parent/guardian to exclude a student from taking a state assessment.

### **Procedure:**

Parent/Guardian must notify the school SAC as soon as possible if they wish to exclude their student from CMAS testing. Parent/Guardian must fill out a parent refusal form that can be located in the front office. The parent refusal forms will be collected and maintained by the building SAC.

*This policy will be posted on the Coperni 3 website under "State Testing".*
